

## *Certificate of Compliance*

Gentlemen:

This document hereby certifies that the printed circuit boards listed below were built in accordance to prints and artwork supplied. All boards were electrically tested, RoHS compliant and are in compliance with IPC 6012A and IPC-A-600 Class 2 specifications.

P.O. NO. : N/A

DATE CODE : N/A

P/N :

This is certify that the material used to make part no. is FR4

Process & Material date :
